

DEAR CITIZENS OF OTHER EUROPEAN UNION MEMBER STATES,

In the Republic of Slovenia, elections of Members of the European Parliament from the Republic of Slovenia (hereinafter referred to as elections to the European Parliament) will be held **on Sunday, 9 June 2024**.

The legal bases for the European Parliament elections are the Council Directive 93/109/EC of 6 December 1993 laying down detailed arrangements for the exercise of the right to vote and stand as a candidate in elections to the European Parliament for citizens of the Union residing in a Member State of which they are not nationals, Election of Members of the European Parliament from the Republic of Slovenia Act and the Voting Rights Register Act.

According to the legislation you can take part in the European Parliament elections if you are a national of any European Union Member State and if you meet certain requirements.

HOW TO VOTE IN THE REPUBLIC OF SLOVENIA

If you are a national of one of the other EU Member States, and have permanent or temporary residence in the Republic of Slovenia, you must meet the following requirements:

1. Age and the right to vote

In the Republic of Slovenia, any person who is **18 years of age or older** on the polling day is entitled to vote.

As a national of one of the other EU Member States you can vote in the European Parliament election.

2. Permanent or temporary residence

You must have your **permanent or temporary residence registered** on the territory of the Republic of Slovenia, on the basis of a valid residence registration certificate or permanent residence permit. You are also obliged to report any change to your permanent or temporary residence address within the Republic of Slovenia to any administrative unit.

3. Request for entry into the electoral register

You are entered in the European Parliament electoral register **upon a request**. The request for entry may be filed in person or sent by post at any time **to the Ministry of the Interior, Štefanova ulica 2, 1501 Ljubljana**. The request form is enclosed to this notice.

The request must contain the following **information**:

- surname and name,
- personal registration number (EMŠO) or date of birth and sex if EMŠO has not been assigned,
- citizenship,
- permanent residence or temporary residence in the Republic of Slovenia,
- residence abroad,
- information on the country and city and/or electoral unit where you were last entered in the electoral roll,
- signed statement that you will exercise your right to vote in the European Parliament elections in Slovenia.

When submitting the request, you have to prove:

- your identity (with a photocopy of your passport or another valid identity document), and
- your citizenship (with a photocopy of your passport or citizenship certificate or birth certificate if it is valid as a citizenship certificate in your country, or with a photocopy of another identity document proving your citizenship).

REGISTRATION PROCEDURE

The Ministry of the Interior will examine your request for entry into the European Parliament electoral register and notify you of the entry into the electoral register in the Republic of Slovenia, at the same time notifying the country where you were last entered in the electoral register, as your right to vote in the elections to the European Parliament in another Member State will cease once you are entered in the Slovenian electoral roll.

If your request for entry into the electoral register in the Republic of Slovenia is refused, the Ministry of the Interior will issue a refusal decision, against which there are appropriate legal remedies available.

Your name will remain in the European Parliament electoral register of the Republic of Slovenia until you request your name to be removed from it or until another country notifies the competent Slovenian body that you have requested to be entered into the electoral register there. The condition for entry into the electoral register in the Republic of Slovenia will automatically cease when you stop residing in the Republic of Slovenia or if you no longer have the citizenship of a European Union Member State.

STANDING FOR ELECTIONS AND CANDIDACY PROCEDURE

The Members of the European Parliament from the Republic of Slovenia are elected using the proportional electoral system with a possibility of a preferential vote. The territory of the Republic of Slovenia represents one constituency.

Candidates for Members of the European Parliament may be nominated by political parties and electors, and each list may contain up to as many candidates as are elected in the Republic of Slovenia.

If you decide to stand for the European Parliament elections in the Republic of Slovenia, you must enclose to your candidacy a citizenship statement, the permanent or temporary residence address in the Republic of Slovenia and a statement that you are not standing for European Parliament elections in any other Member State.

Candidacies have to be submitted to the National Election Commission on the thirtieth day before polling day at the latest, i.e. 10 May 2024 by midnight. The National Election Commission will notify the appropriate bodies of other countries about the candidacy of their nationals standing for European Parliament elections in the Republic of Slovenia.

The candidacy procedure and determination of the election results are regulated more in detail in the Election of Members of the European Parliament from the Republic of Slovenia Act, which can be looked up at the website of the Ministry of the Interior or the National Election Commission.
